About the Event

Since 2018, the Williamsport Area School District Education Foundation, River Valley Regional YMCA, and the YWCA Northcentral PA have co-hosted Over the Edge Williamsport.

The event is a fundraising partnership between the three nonprofits. It allows members of the community to voluntarily commit to raise at least \$1,000 for the nonprofit of their choice — or have it divided evenly among all three — in a daring exchange to rappel down a building.

The nonprofits first banded together in 2018 to bring the event to the city, and since then have collectively raised more than \$275,000 between the three of them for their respective missions.
